PROCEEDINGS AND DEBATES OF THE 117th CONGRESS, FIRST SESSION

Vol. 167

WASHINGTON, THURSDAY, FEBRUARY 11, 2021

No. 26

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker.

PRAYER

The Chaplain, Reverend Margaret Grun Kibben, offered the following prayer:

Loving God, I come to You this day in prayer for each and every person who labors in this place, for their heartfelt dedication to their tasks, for the commitments they have made to serve their country as Members, as staffers, interns, service providers, and security officers, and the whole range of duties and responsibilities represented in this workforce.

None of the men and women do so without significant cost to themselves and to their families. I lift up to You the burdens they carry: personal illness and afflictions; the health and welfare of family members; the anxiety and discouragement felt when efforts are disregarded or unappreciated; tragedy and loss.

Their names and situations are known to You, O Lord, but especially this day we pray for those who grieve the loss of Representative RON WRIGHT. We are grateful that in his living he showed us a principled life, the importance of integrity, and the gift of thoughtfulness to those around him.

May the example of his fortitude in the face of life's adversities serve as a testimony to the hope we have in Your eternal care.

We pray in the strength of Your holy name.

Amen.

RULES

RULES OF THE COMMITTEE ON THE BUDGET FOR
THE 117TH CONGRESS

HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,

Washington, DC, February 11, 2021.

MADAM SPEAKER: Pursuant to clause 2(a) of House Rule XI, I submit the rules for the Committee on the Budget for the 117th Congress for publication in the Congressional Record. The Committee adopted these rules by a voice vote, with a quorum being present, at our organizational meeting on Tuesday, February 9, 2021.

JOHN YARMUTH.

GENERAL APPLICABILITY

Rule 1—Applicability of House Rules

(a) Except as otherwise specified herein, the Rules of the House of Representatives are the rules of the Committee so far as applicable, except that a motion to recess from day to day, or a motion to recess subject to the call of the Chair (within 24 hours), or a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of privilege in the Committee. A proposed investigative or oversight report shall be considered as read if it has been available to the members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day).

(b) The Committee's rules shall be publicly available in electronic form and published in the Congressional Record not later than 60 days after the Chair of the Committee is elected in each odd-numbered year.

(c) The Chair, in consultation with the Ranking minority member, may establish such other procedures and take such actions as may be necessary to carry out these rules or facilitate the effective operation of the Committee.

Rule 2—Vice Chair

The Chair of the Committee shall designate a member of the majority party to serve as Vice Chair of the Committee in accordance with clause 2(d) of Rule XI of the Rules of the House of Representatives. The Vice Chair shall preside at any meeting or hearing during the temporary absence of the Chair.

MEETINGS

Rule 3—Regular Meetings

(a) The regular meeting day of the Committee shall be the second Wednesday of each month at 11 a.m., while the House is in session, if notice is given pursuant to paragraph (c) and paragraph (g)(3) of clause 2(g)(3) of Rule XI of the Rules of the House of Representatives.

(b) Regular meetings shall be canceled when they conflict with meetings of either party's caucus or conference.

(c) The Chair shall give written notice of the date, place, and subject matter of any Committee meeting, which may not commence earlier than the third calendar day (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day) on which members have notice thereof, unless the Chair, with the concurrence of the Ranking minority member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the meeting sooner, in which case the Chair shall make the announcement at the earliest possible date. An announcement shall be published promptly in the Daily Digest and made publicly available in electronic form.

Rule 4—Additional and Special Meetings

(a) The Chair may call and convene additional meetings of the Committee as the Chair considers necessary or special meetings at the request of a majority of the members of the Committee in accordance with clause 2(c) of Rule XI of the Rules of the House of Representatives.

(b) In the absence of exceptional circumstances, the Chair shall provide public electronic notice of additional meetings to the office of each member at least 24 hours in advance while Congress is in session, and at least three days in advance when Congress is not in session.

Rule 5—Open Business Meetings

(a) Meetings and hearings of the Committee shall be called to order and presided

over by the Chair or, in the Chair's absence, by the member designated by the Chair as the Vice Chair of the Committee, or by the Ranking majority member of the Committee present as Acting Chair.

(b) Each meeting for the transaction of Committee business, including the markup of measures, shall be open to the public except when the Committee, in open session and with a quorum present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed to the public in accordance with clause 2(g)(1) of Rule XI of the Rules of the House of Representatives.

(c) No person, other than members of the Committee and such congressional staff and departmental representatives as the Committee may authorize, shall be present at any business or markup session which has been closed to the public.

(d) Not later than 24 hours after the adoption of any amendment, or 48 hours after the disposition or withdrawal of any other amendment, to a measure or matter considered by the Committee, the Chair of the Committee shall cause the text of each such amendment to be made publicly available in electronic form.

Rule 6—Quorum

A majority of the Committee shall constitute a quorum. No business shall be transacted and no measure or recommendation shall be reported unless a quorum is actually present.

Rule 7—Recognition

Any member, when recognized by the Chair, may address the Committee on any bill, motion, or other matter under consideration before the Committee. The time of such member shall be limited to five minutes until all members present have been afforded an opportunity to comment.

Rule 8—Consideration of Business

Measures or matters may be placed before the Committee, for its consideration, by the Chair or by a majority vote of the Committee members, a quorum being present.

Rule 9—Availability of Legislation

(a) The Committee shall consider no bill, joint resolution, or concurrent resolution unless copies of the measure have been made available to all Committee members at least 24 hours prior to the time at which such measure is to be considered. When considering concurrent resolutions on the budget, this requirement shall be satisfied by making available copies of the complete Chair's mark (or such material as will provide the basis for Committee consideration). The provisions of this rule may be suspended with the concurrence of the Chair and Ranking minority member.

(b) At least 24 hours prior to the commencement of a meeting for the markup of legislation, the Chair shall cause the text of such legislation to be made publicly available in electronic form.

Rule 10—Procedure for Consideration of Budget Resolution

(a) In the consideration of a concurrent resolution on the budget, the Committee shall first proceed, unless otherwise determined by the Committee, to consider budget aggregates, functional categories, and other appropriate matters on a tentative basis, with the document before the Committee open to amendment. Subsequent amendments may be offered to aggregates, functional categories, or other appropriate matters, which have already been amended in their entirety.

(b) Following adoption of the aggregates, functional categories, and other matters, the text of a concurrent resolution on the budget

incorporating such aggregates, functional categories, and other appropriate matters shall be considered for amendment and a final vote.

Rule 11—Roll Call Votes

(a) A roll call of the members may be had upon the request of at least one-fifth of those present. In the apparent absence of a quorum, a roll call may be had on the request of any member.

(b) No vote may be conducted on any measure or motion pending before the Committee unless a quorum is present for such purpose.

(c) In accordance with clause 2(e)(1)(B) of Rule XI of the Rules of the House of Representatives, a record of the vote of each Committee member on each recorded vote shall be made publicly available in electronic form within 48 hours of such record vote, and, with respect to any roll call vote on any motion to amend or report, shall be included in the report of the Committee showing the total number of votes cast for and against and the names of those members voting for and against.

Rule 12—Proxy Voting

No vote by any member of the Committee on any measure or matter may be cast by proxy.

HEARINGS

Rule 13—Announcement of Hearings

The Chair shall make a public announcement of the date, place, and subject matter of any Committee hearing at least one week before the hearing, beginning with the day in which the announcement is made and ending the day preceding the scheduled hearing unless the Chair, with the concurrence of the Ranking minority member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the hearing sooner, in which case the Chair shall make the announcement at the earliest possible date. Such announcement shall be published promptly in the Daily Digest and made publicly available in electronic form.

Rule 14—Open Hearings

(a) Each hearing conducted by the Committee or any of its task forces shall be open to the public except when the Committee or task force, in open session and with a quorum present, determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, or would compromise sensitive law enforcement information, or would tend to defame, degrade, or incriminate any person, or would violate any law or rule of the House of Representatives. The Committee or task forces may by the same procedure vote to close one subsequent day of hearing.

(b) For the purposes of clause 2(g)(2) of Rule XI of the Rules of the House of Representatives, the task forces of the Committee are considered to be subcommittees.

Rule 15—Member Day Hearing Requirement

During the first session of the 117th Congress, the Committee shall hold a Member Day Hearing to hear testimony from members, delegates, and the resident commissioner—whether or not they are a member of the Committee—on budget priorities and process.

Rule 16—Quorum

For the purpose of hearing testimony, not less than two members of the Committee shall constitute a quorum.

Rule 17—Questioning Witnesses

(a) Questioning of witnesses will be conducted under the five-minute rule unless the

Committee adopts a motion pursuant to clause 2(j) of Rule XI of the Rules of the House of Representatives.

(b) In questioning witnesses under the five-minute rule:

(1) First, the Chair and the Ranking minority member shall be recognized;

(2) Next, the Committee members present at the time the hearing is called to order shall be recognized in order of seniority; and

(3) Finally, the Committee members not present at the time the hearing is called to order may be recognized in the order of their arrival at the hearing.

(c) In recognizing Committee members to question witnesses, the Chair may take into consideration the ratio of majority members to minority members and the number of majority and minority members present and shall apportion the recognition for questioning in such a manner as not to disadvantage the members of the majority.

(d) Notwithstanding the provisions of section (a), the Chair and Ranking minority member may designate an equal number of members from each party to question a witness for a period not longer than 30 minutes, or may designate staff from each party to question a witness for a period not longer than 30 minutes.

Rule 18—Subpoenas and Oaths

(a) In accordance with clause 2(m) of Rule XI of the Rules of the House of Representatives, subpoenas authorized by a majority of the Committee or by the Chair (pursuant to such rules and limitations as the Committee may prescribe) may be issued over the signature of the Chair or of any member of the Committee designated by him, and may be served by any person designated by the Chair or such member.

(b) The Chair, or any member of the Committee designated by the Chair, may administer oaths to witnesses.

Rule 19—Witnesses' Statements

(a) So far as practicable, any prepared statement to be presented by a witness shall be submitted to the Committee at least 24 hours in advance of presentation and shall be distributed to all members of the Committee in advance of presentation.

(b) To the greatest extent possible, each witness appearing in a nongovernmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or sub-grant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years.

(c) Such statements, with appropriate redactions to protect the privacy of witnesses, shall be made publicly available in electronic form not later than one day after the witness appears.

PRINTS AND PUBLICATIONS

Rule 20—Committee Prints

All Committee prints and other materials prepared for public distribution shall be approved by the Committee prior to any distribution, unless such print or other material shows clearly on its face that it has not been approved by the Committee.

Rule 21—Committee Publications on the Internet

To the maximum extent feasible, the Committee shall make its publications available in electronic form.

Rule 22—Committee Staff

(a) Subject to approval by the Committee and to the provisions of the following sections, the professional and clerical staff of the Committee shall be appointed, and may be removed, by the Chair.

(b) Committee staff shall not be assigned any duties other than those pertaining to

Committee business, and shall be selected without regard to race, color, ethnicity, religion, sex, sexual orientation, gender identity, disability, age, or national origin, and solely on the basis of fitness to perform the duties of their respective positions.

(c) All Committee staff shall be entitled to equitable treatment, including comparable salaries, facilities, access to official Committee records, leave, and hours of work.

(d) Notwithstanding sections (a), (b), and (c), staff shall be employed in compliance with the Rules of the House of Representatives, the Employment and Accountability Act, the Fair Labor Standards Act of 1938, and any other applicable Federal statutes.

Rule 23—Staff Supervision

(a) Staff shall be under the general supervision and direction of the Chair, who shall establish and assign their duties and responsibilities, delegate such authority as the Chair deems appropriate, fix and adjust staff salaries (in accordance with Rule X, clause 9(c) of the Rules of the House of Representatives) and job titles, and, at the Chair's discretion, arrange for their specialized training.

(b) Staff assigned to the minority shall be under the general supervision and direction of the minority members of the Committee, who may delegate such authority, as they deem appropriate.

RECORDS

Rule 24—Preparation and Maintenance of Committee Records

(a) A substantially verbatim account of remarks actually made during the proceedings shall be made of all hearings and business meetings subject only to technical, grammatical, and typographical corrections.

(b) The proceedings of the Committee shall be recorded in a journal, which shall, among other things, include a record of the votes on any question on which a record vote is taken.

(c) Members of the Committee shall correct and return transcripts of hearings as soon as practicable after receipt thereof, except that any changes shall be limited to technical, grammatical, and typographical corrections.

(d) Any witness may examine the transcript of their own testimony and make grammatical, technical, and typographical corrections.

(e) The Chair may order the printing of a hearing record without the corrections of any member or witness if the Chair determines that such member or witness has been afforded a reasonable time for correction, and that further delay would seriously impede the Committee's responsibility for meeting its deadlines under the Congressional Budget Act of 1974.

(f) Transcripts of hearings and meetings may be printed if the Chair decides it is appropriate, or if a majority of the members so request.

Rule 25—Access to Committee Records

(c) Not later than March 1 of the first session of a Congress, the Chair shall prepare, in consultation with the Ranking minority member, and submit to the Committees on Oversight and Reform and House Administration an oversight plan for that Congress in accordance with the provisions of clause 2(d) of Rule X of the Rules of the House of Representatives. (a) Any report accompanying any bill or resolution ordered reported to the House by the Committee shall be available to all Committee members at least 36 hours prior to filing with the House.

When a reported bill or joint resolution, conference report, or anticipated floor amendment violates any provision of the Congressional Budget Act of 1974, the Chair may, if practical, consult with the Committee members on whether the Chair should recommend, in writing, that the Committee on Rules report a special rule that enforces the Act by not waiving the applicable points of order during the consideration of such measure.
